Appeals

Despite repeated requests by newsletter, emails and texts, people seem to think that requests for replies do not apply to them. Please have some consideration for people trying to organise events and run the club. If you are asked for a response, please **RESPOND**.

MENORCA

We need to book this VERY soon. If you are intending to tour, let us know NOW. Deposits of £70 will be required and are not refundable. We will be going ahead with the tour as long as we have 11 people that can hold a bat, or look like they can ! If you had your name on the list and are not now touring, please, again let us know. Late places during the summer may or may not be available and may be more expensive.

Colts Training

The first two weeks have had a lack of numbers. We realise that football is played on a Sunday, but trying to please everyone is impossible and sports hall availability is also difficult. We are unable to continue with these numbers as the cost is prohibitive. If there is not an improvement in numbers, we may have to either reduce the session length or only hold sessions fortnightly.

Menorca Tour 2008

We can now confirm the details for the Langley Manor's 3rd tour to Menorca. We have changed travel companies due to a more competitive quote. We will this time be staying in better accommodation in a more central position but still in Calan Porter. Those that have toured before will know the Sa Paissa. This is the venue that many an evening was spent grooving to the tribute bands ! and has a small pool. The one drawback of the new company is that they are not as flexible as previous. This means that names and deposits are required upon booking and outstanding balances will be required the normal 6-8 weeks before departure.

Help needed !! If you can rake leaves, Sundays 10am is the time to get some exercise. All welcome ! Next month's newsletter will have details of pre season preps. Your help will be required. Look Out !! Also we are starting to completely overhaul the covers. This, weather permitting, will begin on 3rd February 9.30 onwards and continue each week. STOP PRESS

People have been turning up to senior training without money, you know you have to pay, this is not a charity, BRING YOUR MONEY

DON'T FORGET LAST YEARS SUBS, YOU WILL NOT PLAY IN 2008 IF YOU HAVE NOT PAID. WE KNOW WHO YOU ARE

GOLF NIGHT

We had 1, yes ONE respondent to this event, and now they are going away to watch Saints in Blackpool. We will change the date to March 15th or 16th

We would like to hold a LMCC Golf Night. However, due to lack of response to events organised over the last couple of years, we will only arrange this if we have enough firm commitment beforehand. This event will be held in the clubhouse.

Yes, for those of you that have not worked out that a Golf Night in the clubhouse would be difficult, this competition will be on the Wii

We would also like to hold other events in a similar vein. A bowling night for instance. Show your interest please.

Kit

Club kit will again be available this season at reasonable cost. We have some of the sizes that we were lacking last season

Fixtures

Colts fixtures are now available on our website. The league fixtures for 2008 are now on the HCL website and also our own website.

Under 11's

Good News !

Hounslow School have replaced their artificial wicket, which the under 11's will be using this summer.
