Amnesty

OK, who are you ??

We are missing several 'Players Player' shields from the clubhouse. Monty is making some new ones for the new teams, but there are some of the old type missing.

Please have a look; we would like them back to ensure we have them all up to date for this season.

We are missing both colts and senior shields

This is what they look like

Kit & Caps

We now have club kit in all sizes. Also the new caps have arrived; see the display in the clubhouse.

Cricket balls are also available for purchase over the bar. You will require your own ball for training.

IMPORTANT

All memberships are now due. Senior memberships **WILL** rise to £70 on 15th June. Get your £20 discount by paying before this date. This will be strictly enforced. This was agreed at last years AGM, so there are no excuses.

This time of year is always when the club finances are at their lowest. We have already had to pay out for repairs as we had the freezer and ice maker pack up and then most importantly, the beer cellar cooler gave up on us. All this in one week, not to mention the broken mowers and strimmer.

We need your memberships in **NOW**

**Monthly Direct Debit facilities are available
ask for details**

Paperwork

We all hate it, but we must have the membership forms filled out. This includes seniors as well as colts. This is to comply clubmark accreditation and insurance. Also Jim Whittle & Lisa Morrison have kindly agreed to produce the colts and senior membership databases this year, therefore it is important to fill it in fully. You are also required to read the code of conduct.

Menorca

The tour is going ahead, but there are still places available. The cost is £300 at the present flight prices. The deposit is £110 upon booking. Some people still owe £40 deposit top ups. Please get these to me ASAP 26/9 – 3/10 7 nights

Midweek & Touring Teams

On the notice board in the clubhouse, there is a form to fill in your availability for these matches, please see if you can play in some of these

Questionnaire

We will shortly be producing a questionnaire. This is so that we can gauge opinions on things that we do at the club. One example is – when would be the best times for winter training ? – it will be a help to us so that we can plan things to suit more people and we would like to get your thoughts on various subjects. Please take time to fill one in.

The website requires your input. We would like someone from every team to write a short match report so that Rob can put it on the website. At present we have all the fixtures, but no results or reports for many teams. Anyone can send it in, nominate someone, maybe a parent would like to do it for your team. **Get those results to Rob please**
