2010 Theme Nights Reminder

It is intended to raise the game on the social side of the club during the coming season. The Saturday sides will be responsible for organising ONE Saturday Theme Night. This will take place, yes on a Saturday, after the league games. Format to be decided by each teams captain and players. Captains are expected to organise or delegate to get these events sorted. These events will be advertised within the club and all are welcome to attend.

Pre Season Works

Brian Hillman gets to grips with the pan !

Roy & Julie try out the stable refurb project

Nobby gets to grips with the chain saw

The Noble, Other 'alfs brave the weather

It may have poured down, but The Manors intrepid band of helpers were not to be deterred. Much good work was carried out by the members that gave up their time to help their club and improve facilities for all. Well done to all that turned up to help.

The net refurb continues

All ages and genders joined in

Reminder - The Manor Fantasy League

Pistol has decided to resurrect the Fantasy League first run by Steve Locke a few seasons ago. It was great fun then and a huge success.

Please give Pistol all the help required, get you entries in on time – Along with the entry fee !

Look out for entry forms nearer the season.

Kit

All club kit had now arrived and available from the clubhouse.

We also will also have helmet with The club badge on. Ask for details

Tour Four Menorca

Flights have been booked, but you can still go. The flight prices have risen a little.

Departure Friday 17th September

Remember, balance due by end of July

World Cup

All Football World Cup games will be shown in the clubhouse. Come along and make it a social occasion.

Remember we also have Sky Sports, so make full use of the clubs facilities.

Look out for world cup competitions being run at the club. Details soon.

Nets

The new nets are now operational. These are for members use only (and visiting teams). You will see that much time and expense has been put into the vast improvements that have been made. With this in mind, you will find that they have been secured and are usable by removing the chain. The combination will change at intervals. To find the code, contact a committee member. Please remember that U18's should be supervised at all times and MUST wear all protective equipment.

The Manor's Very Own Tinkerman

Many thanks go to Phil Batten, who has completely overhauled our gang mowers. Not only will they perform so much better on the outfield, but his efforts saved the club a small fortune.
Top Bloke !
