New laws

**The Hampshire League are running the Umpiring and Laws night again this year. It is a short presentation of the basics. There are some new laws this year that the ECB have brought in, so well worth attending. We would strongly recommend team captains and colts managers come along. It is held fortunately as our clubhouse and will be on Tuesday 12th April 7pm – 9.30pm
And best of all it's FREE**

Please let us know if you want to attend as you are supposed to register with the league

Pre Season Works

It's that time again and the season will soon be upon us again, therefore it is also that time again to appeal to all members for their help in getting the club fully ready for the summer ahead.

Due to Easter being very late this year, we have decided that the works will primarily be done over the weekend of 9th & 10th April (gates will be open from 8am!) along with a start being made on the Friday evening prior 5.00pm.

Come along on the Friday for a couple of hours work and then catch up with fellow members and have a pre season get together and drink over the bar.

There is as always much to do, ground work, painting, fencing, general cleaning and tidying, nets to go up, sight screens erected, covers put in order etc etc. In fact lots of the things that you enjoy using during the summer.

Help make your club an enjoyable place to be this summer

See You There

The Manor Welcomes Our New Kiwi Hamish Blomfield

Quotes from his club in UK last year

"Special commendation to our overseas amateur Hamish Bloomfield, whose commitment and ability contributed largely to our success"

"A right arm medium fast bowler Hamish has already made valuable contribution with bat and ball, as well as assisting with the junior coaching on a weekly basis"

We look forward to his arrival in mid April. He will be helping out with coaching and ground work.

Balls

We have a quantity of training balls for sale at a very reasonable cost. Due to the number of balls going missing, we will require you to acquire your own balls and be responsible for them for training at U11 and up

Kit

All sizes of club kit had now arrived and available from the clubhouse.

We can accommodate up to about 100 people for events in our marquee. This can be a very cost effective venue for your event and help your club with fund raising at the same time. Ask for details.

Indoor League

The indoor league was again very ably run by our very own Jim Whittle again this winter at Hounslow School and again was a resounding success. Many thanks to Jim again for his efforts. The U11 team won their league and were due to play in the cup play offs as we went to print, so a very well done to them and their managers Bryan Ponting & Mike Spencer

Umpires Course

Well done to Connie Cant & Chrissie Hughes whom both passed their umpires exam this week. 3 more Manor lads & lasses are taking theirs next week
