## **PROMOTION**

Following the 1<sup>st</sup> XI's unlucky near miss on promotion due to the weather on the last day of the season, it seemed like another year in Hampshire League One beckoned for 2012.

Fear not, Following sterling work by Roy Peters & The Major together with a couple of their minions on changing room and umpires room improvements, the club gained ground accreditation to Southern league standard. This is a requirement to gain promotion. The club that finished one place above us in the league also had to achieve this accreditation.

A nervous wait followed, but one autumn afternoon a letter arrived congratulating the club on promotion to Southern League Bronze division for the first time in the clubs history. The other club failed to attain the required standard and therefore LMCC are promoted in their place.

**Well Done to all involved**

## T5

Flights for Tour 5 are proving difficult to pin down at present and are looking expensive compared to last time. I am also waiting for hotel and transfer prices. You will be contacted with a price soon.

You know if you are going and you know that the flight money will be required so stop texting me asking when I want it, SAVE it until I ask for it !!

If your name is not on the tour list, please let me now if you want to go.

## Winter Works

There are various works to be done over the winter. It is very weather dependent so look out for appeals of help on the website, by email and on The Manor Facebook group. If you have not joined, please do so, most info is published on there.

## Outstanding Fees

**With the above in mind, there are a number of membership fees and match fees still outstanding**

These will not be forgotten. You will be receiving a letter or email shortly if you owe. Please pay up promptly.

You cannot play for another club whilst a debt is owed to a former club. It is not really fair to you fellow members and those that turn up to matches with their match fees.

If you think you may owe, please contact me to save a stamp !!

## County Squad

Congratulations to Tom Spencer U12 and Dylan Hatton U11 who have both been selected for the Hampshire Winter training squad.

## Umpires Course

**There will be another umpires course running this winter, starting on 25<sup>th</sup> January at the clubhouse. Contact me for details.**
