Appeal

Along with the promotion the Southern League come a host of new things that the club have to do. One of these is sending in the results to various bodies by email on a Saturday evening.

We want to be able to do this from the clubhouse.

T5

Flights for Tour 5 will be booked in the first or second week of January.

Some people have contacted to confirm, but many have not. The flight cost will be in the region of £150 and only those that have paid will be booked. If you book late, you risk a more expensive flight cost. The full cost will not exceed £400 (was £360 in 2010) and it is hoped it will be less.

You will be contacted at the time so don't say you weren't warned.

If your name is not on the tour list, please let me now if you want to go.

Winter Works

There are various works to be done over the winter. It is very weather dependent so look out for appeals for help on the website in the New Year, by email and on The Manor Facebook group. If you have not joined, please do so, most info is published there.
